

## SURFACE MOUNT LED 3730

E3730A

Warning light, surface mount, 12V/24V

- Compact and versatile design
- Clear acrylic lens optic
- 14 flash patterns
- Coated aluminium base, urethane-sealed electronics

### PRODUCT DESCRIPTION

This compact and versatile surface-mount LED directional light is ideal for applications requiring high intensity output, low current draw and maintenance-free operation. Premium LED heads feature a clear acrylic lens optic with LEDs that illuminate in the colour of your choice. Warning capability can be customised by selecting from 14 flash patterns (via a trigger wire) and synchronising multiple heads simultaneously or alternately. The coated aluminium base and urethane-sealed electronics protect the unit against the environment, making this one of the most rugged LED products available.
