

500 SERIES

E520-001

Back-up alarm 500-series 97dB 12/24V

- Most compact alarm
- 6 volume ranges available
- Smart Alarm® versions available with self-adjusting sound level

PRODUCT DESCRIPTION

The Smart Alarm® from ECCO was the world's first self-adjusting back-up alarm, constantly measuring ambient noise and adjusting their sound level, creating a volume that is safe without being annoying or contributing to noise pollution. Smart Alarms® eliminate the need for constant manual adjustment and help prevent intentional alarm disconnection. Compact size and universal mounting bracket maximizes location options, self grounding with stud terminal connections, sealed in epoxy for protection against dust, moisture, and vibration.

SPECIFICATIONS

Approvals	CE, UL
Connection Thread	Wire output right
EMC	R10
Height	71 mm
IP Class	IP65
Length	102 mm
Multi frequency sound	No
Power consumption	0,2 A
Smart Alarm	No
Sound strength max	97 dB
Temperature range from	-40 °C
Temperature range to	85 °C
Width	41 mm
Voltage	12-24 V
