

## 600 SERIES

E931N-001

Back-up alarm 600-series Smart Alarm® 12-48V

- Reinforced nylon housing
- 4 volume ranges available
- 12-24V, 12-48V or 12-36V

### PRODUCT DESCRIPTION

The Smart Alarm® from ECCO was the worlds first self-adjusting back-up alarm, constantly measuring ambient noise and adjusting their sound level, creating a volume that is safe without being annoying or contributing to noise pollution. Smart Alarms® eliminate the need for constant manual adjustment and help prevent intentional alarm disconnection. Compact housing and rugged construction designed for demanding applications, reverse mounted speaker enhances sound and protects the alarm from dust and moisture ingress. Epoxy sealed against dust, moisture and vibration.

### SPECIFICATIONS
