

## ALUMINIUM ENCLOSURES

1060000

Alu Enclosure CA060 (58X64X36)

- Robust and shock resistant design
- Durable neoprene seal
- High protection, IP65 rated

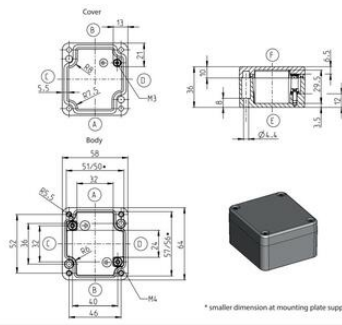

### PRODUCT DESCRIPTION

### SPECIFICATIONS

|                               |               |
|-------------------------------|---------------|
| <b>Depth</b>                  | 36 mm         |
| <b>Width</b>                  | 58 mm         |
| <b>Height</b>                 | 64 mm         |
| <b>IP Class</b>               | IP66          |
| <b>Temperature range from</b> | -40 °C        |
| <b>Temperature range to</b>   | 80 °C         |
| <b>Color</b>                  | Grey RAL 7001 |
| <b>Lid</b>                    | Grey          |
| <b>Material</b>               | Aluminium     |

#### Enclosure incl. seals

|                     |                 |                                   |
|---------------------|-----------------|-----------------------------------|
| PUH-seal (standard) | -30°C to +80°C  | with standard coating             |
| CR-seal             | -30°C to +80°C  | with standard coating possible    |
| Silicone foam seal  | -60°C to +130°C | without standard coating possible |
| Silicone full seal  | -60°C to +200°C | without standard coating possible |
| EPDM-seal           | -35°C to +100°C | without standard coating possible |
| HFEMC-seal          | -55°C to +125°C | without standard coating possible |

**Enclosure incl. seals**

|                     |                 |                                   |
|---------------------|-----------------|-----------------------------------|
| PUR-seal (standard) | -30°C to +80°C  | with standard coating             |
| CR-seal             | -30°C to +80°C  | with standard coating possible    |
| Silicone foam seal  | -60°C to +130°C | without standard coating possible |
| Silicone full seal  | -60°C to +200°C | without standard coating possible |
| EPDM-seal           | -35°C to +100°C | without standard coating possible |
| HTCMC-seal          | -55°C to +135°C | without standard coating possible |
